**Re: Freedom of Information Act Request**

Dear FOIA Officer:

Under the Freedom of Information Act, 5 U.S.C. § 552, I am writing on behalf of my client to request the following records from the Federal Bureau of Investigation:

**Requested Records:** All records, including but not limited to surveillance applications, court orders, and supporting affidavits related to the use of cell-site simulator technology (commonly known as StingRay devices) by the FBI's Chicago Field Office during the period of **March 1, 2024** through **February 28, 2025**. This includes any internal policy memoranda, training materials, and after-action reports related to the deployment of such technology.

This request is submitted in connection with an ongoing civil rights matter. File reference: FBI-CHI-2025-0034.

**Expedited Processing:** I request expedited processing pursuant to 28 C.F.R. § 16.5(e)(1)(ii). There is due process urgency as the records sought are directly relevant to pending federal litigation with court-imposed discovery deadlines.

I am prepared to pay reasonable fees for the processing of this request up to **\$1,000.00**. Please advise if costs are expected to exceed this amount.

Respectfully submitted,

*Thomas K. Reeves, Esq.*
